

## Questions Nova Scotians May Want to Ask

1. What is the Department of Health and Wellness doing to improve ground ambulance response times?
2. Will the Department of Health and Wellness hold Nova Scotia Health accountable for its role in the ground ambulance system?
3. Does the Department of Health and Wellness have a plan to add more ambulances and paramedics to address system pressures?
4. Does the Department of Health and Wellness have a plan to address increasing emergency department offload delays, especially in the Halifax Regional Municipality?
